

17th November, 2021.

The Director,
Nenco Group of Schools,
Ikoyi, Lagos.

Dear Sir/Madam,

A REVOLUTIONAL DIGITAL SOFTWARE FOR YOUR SCHOOL

It is with great honour that we wish to introduce SchoolShell to you. Schoolshell is a revolutionary software that bridges the gap between the management, teachers, and the parents, it is also an administrative tool for an educational organization that make managerial task and academic activities of the school easy.

SchoolShell is the foremost world-class school solution used by the top-rank schools in Nigeria and beyond. Some of our school subscribers in Lagos are as follows; Doregos Private Academy, Ipaja, Holy Child College, Ikoyi, Baptist Model High Schools, Igbobi College, Yaba el Cetera. It is the leading top-notch software for schools created to enhance administrative and academic activity of a school.

The principal purpose of this letter is for you to have an overview of this revolutionary software developed with your school in mind. SchoolShell has many modules, some of which are Admission, Student/staff record management, Online payment, Payroll management, lesson note, Computer-based tests (CBT), Newsfeed, Grading/Result management, Chat system and a lot more.

Some features that make SchoolShell unique are:

- It has been designed with a secure, user-friendly interface that can be customized and personalized to fit your school brand.
- SchoolShell provides Schools with a customized result template that suits their result computation and assessment.
- We provide a comment bank that enables the teachers to give remarks on the result without stress.
- It has a subscription module that helps the school get their money from the parent without running after them.
- The payment module provides easy and fast ways for parents and guardians to make payments for their wards' school fees, levies, and other school dues online.

You can adopt SchoolShell software today to enhance your school administration. We are very much assured this software will take your school to a whole new level and give your school a global image. Please, see attached brochure for more details.

We look forward to a positive response from you.

Thank You in advance.

Yours Faithfully,

Oluwatimilehin, Ajayi
