In-line with our activities for the term, students participated in the following activities Talk show, Debate, Quiz, Spelling Bee competition, science presentation, Excursion and to crown it all, the school had her second INTER-HOUSE Sports Competition on Friday 17th March, 2023 at the premiere Academy Stadium.

We are using this medium to thank our Parents and Guardian honoring our invitation and also, for making the event a remarkable day. We also appreciate the Matrons of the houses (Red, Green, Yellow and Blue) for accepting our proposal and contributing to the success of the event. In summary of the competition, there is always a winner and a loser. Red house came first followed by Green house. Yellow house came third and Blue house came forth. We give God the glory for a

peaceful and successful event. We hope next event will be an improved one.
