

Civic Education

(1) Mention and explain three drug laws from the government.

Answer

(i) Indian hemp decree of 1966: This prohibits the cultivation, trafficking and consumption of Indian hemp. Its cultivation attracts 21 Years imprisonment, exportation attracts 10 Years and 5 Years or more for smoking utensils.

(ii) Indian hemp amendment decree of 1975: This reduces the penalties in 1966 decree to 6 months imprisonment or ₹20,000 or both for smoking Indian hemp.

(iii) Indian hemp decree of 1987: This repeated 1975 amendment act and reinstated severe penalty of 21 Years for sales and trafficking.

(2) State and explain the stages of Inter-personal relationships according to George Levinger

Answer

(1) First stage - Acquaintance Stage

Acquaintance refers to knowing each other. To start a relationship, individuals need to know each other well.

Common friends, social gatherings, organizations also help people get acquainted with each other.

(2) Second Stage - The Build Up Stage

This is the stage where the relationship grows. Individuals are no longer strangers and start trusting each other and start a relationship.

(3) Third stage - Continuation Stage

This is the stage where relationship blossoms into lasting commitments. It is when people knowing each other well decide to be in each other's

Company and tie the knot

4 Fourth Stage - Deterioration Stage

Not all relationships pass through this stage, lack of compatibility, trust, love and care often lead to misunderstandings and serious troubles in the relationship

5 Fifth Stage - The Termination Stage

The fifth and last stage is the end of a relationship.

Relationship terminates due to any of the following reasons:

- * Death of any Partner

- * Divorce

- * Separation
