

## **RHEMA . E. A SECURITY EDUCATION JSS 1 GOVERNORS MID-TERM ASSIGNMENT**

1 Mention 4 effects of crime on the society

1 The breakdown of social association due to habitual avoidance of certain places

2 The reduction of the population of the people as a result of mass exodus.

3 Crime causes trauma and emotional and psychological effects on their victims.

4 They will always be in fear and panic.

2 List 5 ways crime affects individuals

1 It can lead to imprisonment and death

2 It causes mental disorder

3 It reduces the individual's performance at home or in school

4 The individual will be withdrawing from other people.

5 It causes trauma on the individual

3 Crime creates Fear Discuss-Fear of crime in areas where crime has happened like where Boko Haram has bombed where it has broken out or where there is not. It can cause some economic and social havoc.

1. Highlight three ways of preventing crime

1 Report suspicious movements, activities or crime without fear of retaliation

2 Build a partnership with the police, focus on solving problems instead of reaction to crisis.

3 Set up a neighbourhood watch or a community pastoral working with the police.
