

English Holiday Assignment

a The writer feels that the writer feels about the present war is that it is arises from the greed of a few men.

b As the writer said "If we were asking one man, one loaf or one many loaves and millions of other men no loaf at all," the war might have made sense.

c Two things poor people lose in a war are; Their children are killed and their houses get destroyed by bombs and grenades.

d People are lured into war because they misinform them or they are manipulated into it.

e The thing that happens to the children of the leaders during the war is that they send their children away from the country to make sure that they do not suffer from the war.
