

CHRISTIAN RELIGIOUS STUDIES

Write on the appearance of Jesus according to (John 21:1-14)

Jesus revealed himself again to the disciples at the sea of Tiberius. Simon Peter told some of the disciples that he was going to fish. They decided to follow him. They tried but they were not able to catch any fish.

When morning came, Jesus stood on the shore, but the disciples did not know it was Jesus. Jesus said to them “do you have any fish?” they answered Him ‘no’. He told them to throw the net at the righthand side of the boat and they will find some, so they drew net into the sea and caught 153 fishes.

The other disciples had already made a fire to roast the fish, Jesus blessed it and they ate it. With that, Jesus revealed himself to His disciples after He was risen from the dead.
